Week 8 - Tutorials Part-2 (Date: Oct 12, 2025)

Tutorial 8-1. **Data preprocessing and analysis:** Apply all common techniques for the dataset ***Data.csv***

Tutorial 8-2. **Linear Regression tutorial:** Use the dataset **Advertising.csv**

a. Do all necessary data preprocessing and analysis.

b. Create a Linear Regression with scikit-learn library

c. Train the model

d. Test the model and give out your validation
